

6th January 2021

Dear parents and carers,

We have been informed by the Department for Education that schools & families can request FREE mobile data increases for students without broadband and/or who can't afford extra data for devices. Three, Virgin Mobile, Smarty, EE, Tesco Mobile & Sky Mobile are all taking part in the scheme.

If this applies to you, please could you complete the form by following the link below. If you have more than one child/mobile phone that this applies to please complete the form for each child.

Fill | Request Extra Data for Mobile Devices

The Department for Education is accepting requests from students who are disadvantaged because they do not have access to fixed broadband at home, cannot afford additional data for their devices to support learning, and who are experiencing disruption to face to face learning. The following networks are included: Three Smarty Virgin Mobile EE Tesco Mobile Sky Mobile If this applies to you, please complete the form below Privacy statement 1. For the purposes of data protection, I need to let you know that the Department for Education (DfE) is running the Mobile Network Offer through schools and their trusts or local authorities. 2. If the offer is taken up by an adult account holder, the school or social care team will share the account holder's name and mobile phone details with the DfE, who will share these with the relevant mobile network operator. 3. The mobile network operator will use that information to increase the data available for the account holder's mobile device, as long as they qualify for t
