Dear Parent/Carer and Year 10 Student,

Target Setting, Work Experience and Key Stage 4 Information Evening Wednesday 27th September

Year 10 is the start of Key Stage 4 and is an important year for students as they embark on their various courses and start to consider their future career plans. It is important that students make the most of the opportunities open to them, so that they can reach their true potential. You and your son/daughter are invited to an evening at school where we will:

- Explain our system of target setting in relation to Key Stage 4 courses.
- Explain about student life and the support available in Key Stage 4.
- Tell you about how we run our work experience programme.
- Consider the opportunities available in our sixth form.

The event will take place in the school hall on Wednesday 27th September from 6.30 p.m. to 7.30 p.m. Members of staff will be present to answer any questions you may have. We strongly advise all Year 10 students and their parents to attend the evening and look forward to seeing you.

Yours faithfully,

James Ambrose
Assistant Headteacher
