

ROOSE

Ryedale Out Of School Education *Unlocking Potential*

OUR PURPOSE

At Ryedale Out of School Education we seek to promote the personal and academic development of all our pupils in a safe and well managed environment. We support pupils in achieving their full potential and preparing for their future school experiences and or adult life. We expect high standards in terms of behaviour and learning.

ROOSE ORGANISATION

The Centre has 3 rooms (2 classrooms and an office), which are well equipped with up to date resources and ICT equipment.

Referred pupils work in mixed age groups. Our aim is to support younger pupils (KS3) within their schools. If possible a range of support is offered via ROOSE, such as Centre timetable, 1:1 at home and 1:1 work within the students own school or a combination of the above, dependent on information in the referral, pupil need and supporting evidence.

The sessions at ROOSE are currently:

Session 1 = 8.30am-11am

Session 2 = 11.30am-2pm

Session 3 = 2.30pm-5pm

ROOSE PROVISION

ROOSE is funded by the LEA to support pupils who cannot attend mainstream education for a period of time. Currently Lady Lumley's school hold the ROOSE budget and management responsibility on behalf of the four Ryedale Secondary Schools. ROOSE is known as Collaborative Provision. There are 7 Collaboratives across North Yorkshire.

After consultation with parents, a school or other professional agency will refer a pupil to the 'Ryedale Collaborative'. The Collaborative is a group of representatives from the 4 Ryedale Secondary Schools, Health, Chair for Out of School Provision, LA SEN Officer, Education Social Worker and the ROOSE Head of Centre. The Collaborative meet twice a month to discuss pupils and new referrals.

Pupils referred are within the categories of:
STATUTORY: (permanently excluded, medical, pupils with education written into a Youth Justice Order)
and
DISCRETIONARY: (Attendance, Behaviour and Risk of Exclusion).

ROOSE CURRICULUM

We offer personalised learning packages comprising KS3/4 curricular subjects to GCSE Level. In addition we offer courses such as: Functional Skills, Employability.

We work closely with a pupil's school to ensure, wherever possible, we follow their curriculum, so that when a pupil is ready for reintegration they are up to date with the academic work. We also access Extended Work Placements. We also work with the Youth Service, CAMHS, School Health and Education Social Worker Service, Childrens Social Care and Police.
