

Lady Lumley's School Newsletter

30th November 2012 Issue Number 201

Dear Parents, Carers and Friends,

Yesterday lunchtime we gave the Year 11 students the results of their trial examinations taken earlier this month. This is a rehearsal for the real event in August when the students receive

their GCSE examination results. The reason behind a rehearsal is to get it right for the real thing, and the Year 11 students are fully aware that they must make the very best use of the time between now and Easter. The teachers will do everything they can, you will support them as ever but the most important factor, as always, is the students' attitudes. If they work hard, work smart and believe in themselves they will do well.

Richard Bramley

Athletic Success

At the Scarborough Borough Sports Awards on Monday evening, Bronwen Owen and Emma Clapton won awards for their outstanding sporting achievements. Bronwen Owen won the Under-16 award for the second consecutive year, and was also exceptionally awarded the Overall Female Achiever Award, which is normally restricted to seniors.

Emma Clapton won the Under 14 Award in the first year that she has been nominated. Well done to both Bronwen and Emma for thoroughly deserved wins.

For Year 11 students and their parents

Lady Lumley's School, Pickering 6th Form Open Evening

Thursday 6th December 2012
6.45pm - 9.00pm

LADY LUMLEY'S School

A high performing 11-18 School

LADY LUMLEY'S LOVES LEARNING

Ryedale's highest performing A level provider

Sky Sports Living For Sport

Last Thursday Amanda Coulson, former GB female boxer, visited Lady Lumley's to work with a group of girls footballers. During this visit Amanda went through what it takes to become an elite athlete, joined in with a student led football session, and delivered a practical shadow boxing lesson to a group of Year 8 girls. This was part of the Sky Sports Living for Sport initiative where sport is used as a catalyst to change lives. All students involved had a fantastic time tackling traditional sporting stereotypes that female sports people have had to overcome.

Parent Forum - Reminder Tuesday 4th December, 6.30pm

As part of our Student Voice at Lady Lumley's we hold School Council meetings every half-term where students have the opportunity to share their opinions about how the school runs. We also have Student Learning Forum meetings which involve the students meeting every half-term to discuss their learning.

As an extension of this we would like to involve parents in our discussions. This is an invitation to any parents/carers who would like to be part of our Parents' Forum. This would involve one meeting per half-term to share views about how the school runs and how your child learns. The first meeting of this year will run **from 6.30-8pm on Tuesday 4th December**. The meeting will take place in Media Studies 1. This room is located above the school reception. The agenda for the evening will focus on home-school communication and updates on our assessment and marking policies. If you require any further information please contact me at school by telephone or by email - bdavis@ladylumleys.net.
