19th April 2013 Issue Number 216

Dear Parents, Carers and Friends

School has been back a week after the Easter break and we are already in examination season, with oral and practical assessments for some subjects taking place this week and next.

Written examinations start on Monday 13<sup>th</sup> May for GCSE and AS and most A2 examinations begin on the 3<sup>rd</sup> June. Year 11 will have new timetables from the 13<sup>th</sup> May to allow them more time with subjects still to be examined, and Years 12 and 13 will attend normal timetabled lessons wherever possible. Obviously please encourage and help your child with their revision if they have external examinations this year; parental support does make a big difference to their results and their future life chances. Lots going on next week where it is Maths Week for Year 9 (ask your child about meeting Descartes if they are in Year 9) and around 25 local employers are coming into school on Monday to offer mock interviews to Year 10. And the sun is shining!
