

Lady Lumley's School Newsletter

29th January 2016 Issue Number 324

Dear Parents, Carers and Friends

Bake Off Round 2 was held this week; you may have seen pictures on the website and there are more details to follow in the Newsletter. Well done to **Lucy Howlett & Charlotte Richards** (Hi), **Laura Roberts & Ellie Gibson** (Ac), **Chiana Kelly & Eva Footes** (Ac), **Rachel Wilkinson & Emily Hunt** (Fev), **Emily Holbrook** (Hi), **Beth Calder** (Hi), **Megan DeAlker & Grace Clarke** (Ha) and **Chloe Horrigan & Megan Thompson** (Ha). The new house activities seem to have captured the imagination of many of the students and the bake off competition has been a great start. Lorraine Phippen, Debbie Smith and I went to St Joseph's for the year 6 to 7 roadshow last night. As well as the excellent film (mentioned last week) we also had great support from four ex-St Joseph's pupils who spoke to the audience about their experiences at Lady Lumley's as new Year 7 students. Well done and thank you to **Joe Bentley, Molly Hodgson, Amy Shepherd** and **Isobel Wood-Glover** and also thanks to St Joseph's for hosting the evening. Thanks also to Chris Sharples and the digital leader team for another successful year at BETT. Further details below.

Richard Bramley

Bake Off Round 2a

Well done to all the wonderful bakers who took part in the LLS bake off round 2a during Tuesday's lunch time. Overwhelming smells of tarts, crumbles and cakes soon filled the air. Each of the pairs or single entries clattered away producing the best bakes possible. Everyone had their own unique presentation and taste. Gazing around there were union jack cheese cakes, lemon tarts and chocolate cakes. Tensions ran high as everyone wanted to progress to the next round; everyone desperate to impress. The hour whizzed by and the baker's added final touches before presenting their six mini munchies. As the judges tasted and scored all the contestants could do was wait...

With scores ranging around 7-9 out of 10 there was a tie breaker for the top 3. The top three entries were: **Rachel Wilkinson and Emily Hunt** of Feversham, **Laura Roberts and Ellie Gibson** of Acland and the STAR BAKER went to **Beth Calder** of Highfield who single handedly made 6 Crème Egg Cheesecakes. Report by Ellie Taylor (Y7) of Highfield
Good luck to the students taking part next week in Bake Off Round 2b next week.

Digital Leaders

It's my fourth year in a row taking Digital Leaders to Bett, and this time was the best yet due to working with other colleagues and students for both the Main Arena presentation and the #Kidsmeet. Highlights of the arena were Louise Stone's 22 (yes twenty two) Year 1's invading the arena with an assortment of Beetbots and Spheros, and of course, Lady Lumley's **Sam Penny, Oliver Newby** and **Charlotte Richards** explaining to more than 200 teachers how they have set up and run the Year 9 and Year 7 Code Clubs at school. This feat was followed on the Saturday when the school leadership summit tent

overflowed with Digital Leaders from at least eight schools from across the country.

Arthur Patch, Sam Crabbe, Rachel Wilkinson, Tomas Croft and **Mason Rehill** spoke about their work to the other Digital Leaders. All our students were a credit to the school, prepared thoroughly to present top quality presentations and deserved their time finding out about the

latest technology and gaining more than a few

freebies. I am sure several of their discoveries will be finding their way into the Code Club in IT2 - not least BBC Microbits for Year 7s towards the end of this term. They also coped admirably well sharing the train with Newcastle supporters who had drowned their sorrows at another Premier League loss well before getting on the train. My thanks to Mrs Jeffreys for accompanying us and making the trip possible. Mr Sharples

Year 7 Tutor Basketball

Since the start of the October term, Year 7 have been holding tutor basketball games. Eventually, two tutors made it to the finals: 7KWE and 7CBY. It was a very close game with it starting 4-2 to CBY. However, in the last 10 seconds of the game, KWE scored another point making it 4-4. Therefore, it was a sudden shoot out. KWE was up first, unfortunately we missed, but so did CBY. On our second go, both KWE and CBY successfully scored. Third go, and KWE scored, the pressure was on for CBY and unfortunately they missed. KWE won! Well played and great performances by both teams. The winning team: **Ellie**

Hornsby, Beth Calder, Tommy Martin, Jack Norman, Maggie Proudman and Jayden Isaac.

Year 8 Tutor Basketball Final

In the final of the Year 8 inter-form basketball tournament, 8KHY beat 8KDA 18-2 to win the competition. Well done to everybody who played: **Toby Dale, Max Harland, Owen Ellis, Cameron Stone, Keldon Schwartz and Henry Tubbs** from 8KHY, and **Tom Warriner, Malcolm Stewart, Thomas Morrelato, William Morrelato, Dalton Downie, Pollyanna Boyes and Harry Edwards** from 8KDA

Trampolining Success

Congratulations to **Alfie Roberts** (Y7) who competed in a recent trampolining competition and came first out of 14 competitors. He will now progress to the Final in Wigan on 19th March. Great effort Alfie, and good luck in the Final.

Lady Lumley's Horse Riding Team Training Session

The next riding team training session will be on Wednesday 17th February starting at 10am. Can students please confirm with Alison Brown at Friars Hill if they are planning to attend. Thanks. Andy Park

Year 9 and 10 Vaccinations - Wednesday 3rd February

Letters, guidance leaflets and consent forms were sent out to Year 9 and 10 parents/carers before Christmas regarding the vaccination programme by the Harrogate & District NHS Foundation Trust. The health team will be in school on Wednesday 3rd February to administer the vaccinations to those students who have returned consent forms. If you wish your child to be immunised, please return the forms asap. Spare copies of the letter and consent form are available from Reception.

The health team would be grateful if students having the vaccination could wear a white t-shirt/vest under their blouse/shirt on the day of vaccination.

Further information regarding the Healthy Child Vaccination Programme is available on the school website in the 'Parents' section - 'Letters to Parents'.

Sainsbury's Active Kids Vouchers 2016

Once again the Food Technology Department are collecting the Sainsbury's Active Kids Vouchers. The vouchers will be available between the 27th January 2016 and the 3rd May 2016. If you, or any friends, relatives or neighbours, shop at Sainsbury's we would be very grateful if you would collect them and send them into school where there is a collection box at the main reception.

We were very pleased with the response from supporters last year which enabled us to acquire some much appreciated extra equipment to help the students in their food lessons. We would like to take this opportunity to thank you in anticipation of your continued support.

The Food Technology Department

Word of the Week - Bespoke

Used as an adjective to mean made to individual order; custom-made. Something that has been personally designed for you like clothes or a kitchen. Example: "I went on a bespoke holiday where everything was designed around what I wanted. It cost a lot but worth every penny."
