

Lady Lumley's School Newsletter

4th March 2016 Issue Number 328

Dear Parents, Carers and Friends,

On Wednesday night I had the pleasure of seeing the students in the AS theatre studies group perform their monologues and duologues in front of the external examiner (report to follow next week). Also on Wednesday, the students intending to take part in the Peru expedition in the summer of 2017 met to outline their plans. On Thursday evening teaching staff spent two hours discussing teaching and learning with the focus on 'making learning stick'. In that time we looked at a range of teaching techniques such as interleaving, spaced retrieval, embedded learning and effective revision. Year 11 students are soon to have an assembly on effective revision and will all be issued with a revision booklet which you should see when they bring it home. This will complement the guide that all Year 11 students received at the beginning of the year. Later on Thursday we held the re-arranged Year 6 to 7 transition evening at Pickering Community Junior School. Mrs Phippen, Mrs Smith and I were ably supported by **Eva Foots, Joshua Hodges, Matthew Thompson** and **Katie-Mae Tillotson**. There was a very positive atmosphere at the Junior School with the Year 6 pupils looking forward to coming up to Lady Lumley's after their very successful time at the Junior's. Thank you to Mr Pearce and his team for inviting us and making us so welcome (and sharing the fantastic reading room and the Year 6 go karts). There was a question about ParentPay which I can now answer. New students to school will be given new log in details for ParentPay, but parents are able to add a child to an existing account. Please see details below. The new log in details will be provided to Year 6 pupils at the Transition Evening at Lady Lumley's School on Wednesday 13th July. Richard Bramley

North Yorkshire Badminton Championships

Congratulations go to **April Wardell, Amy Newman, Kelly Boyes** and **Cara Nichols** who represented Ryedale and Whitby at the County Badminton championships at York RI Arena. After a tough first game, the girls rallied and came back to lose narrowly 72-68 to Manor School from York. Their behaviour and determination were excellent throughout the tournament.

Lady Lumley's Victorious In Tournament

Lady Lumley's Year 8 football team came out winners in a football tournament at Ryedale School on Tuesday. Lady Lumley's had a tough first group, which included Pindar and Malton School. Lumley's first game was against Pindar where they ran out 4-0 victors. In their next game, being against Malton needing a win to secure winning their group and to enter the next round. Lumley's battled well and won with a last gasp goal from **David Hayward!** With Lady Lumley's advancing to the final round they faced St. Augustine's, but despite good defending from St. Augustine's, Lady Lumley's win 3-1. Lumley's then faced a title decider against Norton. Norton were defending well and attacking on the break but with good tracking back from their midfield, including **Isaac Finch, David Hayward, Sam Booth, Tom Stockdale** and last ditch tackles from **Owen Ellis, Max Harland** and **Harry Edwards** giving Lumley's crucial saves, Norton were not able to score. Lumley's pressed Norton well but **Toby Dale, Dalton Downie** and **Tom Warriner** couldn't break the deadlock, and the game finished 0-0. It all came down to goal difference depending on the title, but Lumley's, outscoring Norton in the final group stage, were able to grab the victory!

Great performances from: **Harry Edwards, Owen Ellis, Max Harland, Tom Stockdale, Isaac Finch, David Hayward, Sam Booth, Toby Dale, Tom Warriner** and **Dalton Downie**. Reported by Owen Ellis (Year 8 Captain)

Yorkshire Swimming Result

Congratulations go to **Joe Kelly** (13) , **Emily Robson** (13) and **Alex Lynn** (17), competing at the prestigious Yorkshire County Swimming Championships, held in 50m pools in Leeds and Sheffield, across 3 weekends during February. They have achieved an impressive nine finalist places between them.

The Yorkshires attract the fastest swimmers in the county and with over 130 qualifiers in some of the events, per age group, this is six long days of competition. Both Alex and Joe (who train with Scarborough Swimming Club) and Emily (who trains with York City Baths Club) swam good personal best times in all their events and earned themselves entry times into the North East of England Swimming Championships, to be held in the Sheffield International pool at the end of May.

Joe had four finalist finishes from his six events, narrowly missing medals with a 4th place finish in the gruelling 400m Individual Medley race in a time of 5.36.19 and a 4th in his 200m Breaststroke race in 2.55.96, a 6th place in 100m Breaststroke and 7th in 50m Breaststroke. Emily had finalist finishes in her 50m, 100m and 200m Breaststroke races and Alex in his sprints events of 50m Back and 50m Butterfly. All 3 swimmers are now back in full training, of up to 10 hours per week, alongside their studies, having proved to themselves that hard work and commitment brings good results.

The team finished strongly, winning against Fyling Hall. After only losing one game all afternoon, overall, the team came third on goal difference. The 80cm team **Lauren McNichol**, **Millie Newton**, **Molly Vance** and **Fiona Hard** also finished on a perfect score of zero putting them in another close second qualifying them for nationals. Both teams are excited for their shot at the title later this year.

Quote of the week: "the best revision guide is a well organised book or folder"

Word of the week: anticipate – Look forward to or to foresee and act in advance of. Anticipate is widely used as a synonym for expect. "He anticipated his opponent's next move and planned an effective counterattack."
