

Lady Lumley's School Newsletter

17th June 2016 Issue Number 340

Dear Parents, Carers and Friends

It must be Summer (despite the weather) as Wednesday night I was, once again, invited to Yorkshire Coast College's annual Brilliance Awards ceremony in Scarborough. The event is an opportunity to celebrate the success of the students at the college and I was really pleased to be asked to present awards to two ex-Lady Lumley's students who have achieved so well this year at the college. **Luke Pearson-Smith** was the Brickwork Apprentice of the Year and has had a successful year at Atkinson Builders and

Freya Morton was Uniformed Services Student of the year.

The evening started in a charming way as I was greeted by a member of staff at the college who is teaching Year 10 students currently at Lady Lumley's. He was really keen to tell me how much he enjoyed teaching the students and what good ambassadors they were for the school. A colleague of his, standing nearby, chipped in and she said how lovely our students were. Well done Year 10 and keep it up.

We had the Art Exhibition this week on Tuesday night; yet again a wonderful collection of work by the students displaying incredible talent and imagination.

Wonderful work by the students in Years 11, 12 and 13 and well done to Mrs Chaddock, Mr McGrath and Miss Glaves for the excellent way they displayed the work throughout the art department and reception areas.

I did some travelling around the beautiful North Yorkshire country side over the last week (although the fog over the moors yesterday spoilt the view somewhat) in order to visit Wensleydale and Nunthorpe schools. I was in Wensleydale last Friday as part of a headteacher peer visit and Julia Polley, the headteacher at Wensleydale will be visiting us the week after next on the reciprocal visit. Yesterday, John Garbutt and I visited Nunthorpe School to ask about their experience of being an academy. John and I met the headteacher, the chair of governors and their business manager and received much useful information about what being an academy meant to the school. The most important message was that, whatever you do (or don't do) the interests of the students must come first. This message chimes so well with the philosophy we have at Lady Lumley's and will, as always, drive any decisions the school makes in the future. Richard Bramley

Governor News

There was a single item agenda meeting on Tuesday night which was to consider the future status of the school in the light of central government's stated aim that all schools will become academies. This meeting was a fact finding exercise and there will be many more meetings, consultations, Newsletter articles and such like before any decisions are made. Governors invited Mark McCandless, headteacher at Ryedale School, to share with us his experiences of forming the Ryedale federation, the advantages he saw of federation and his views on how the federation could develop. Mark was with us for over an hour and then Governors spent time considering the information Mark shared with us. It was a really useful meeting and Governors would like to thank Mr McCandless for his input.

Parents' Forum - Tuesday 21st June 2016

Our next meeting is on Tuesday 21st June at 6:30pm in the Café Area. This will be an opportunity for parents/carers of our current Year 10 to feed back about the support the students have received this year. We will also use the meeting to look ahead to Year 11 and outline the support that will be in place for our students. Brian Davis

Duke of Edinburgh Bronze

Congratulations to the group of 52 intrepid explorers from Year 10 who successfully completed their Bronze Duke of Edinburgh practice expedition. Over the two days the groups learned how to navigate, how to deal with emergencies, how to camp and how to cook (almost!). Next month, the group will complete their assessment expedition in Rosedale, using the school's outdoor centre www.yorkshirebunkhouse.co.uk as a base. Dave Mann

Year 8 Workshops

Police Officers from North Yorkshire Police will be in school on Monday 20th & Tuesday 21st June to deliver a workshop on 'Online Risky Behaviour' to Year 8 students. A follow up report about the workshops will be in next week's newsletter.

Sarah Turner

ParentPay

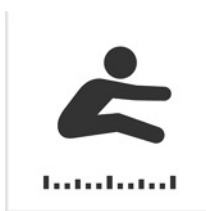

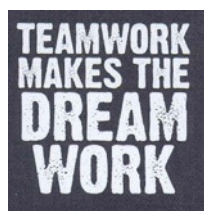

ParentPay have recently made changes to how items/services are paid for.

Navigate to www.parentpay.com and log in to your account. Select the Top up My Account quick link and follow the instructions given. After confirming the payment you can then print a receipt otherwise select Return to ParentPay (a success notification will show at the top of the screen.) where you select View details and pay for the item(s) you wish to purchase, e.g. meals, trips etc. Select Pay now. A success notification will again show at the top of the screen once the payment is complete.

Word of the Week - Conundrum

A puzzling question or a riddle, especially one whose answer makes a play on words. One of my favourite jokes is a conundrum. "Question: Why don't you get hungry in the desert? Answer: because of all the sand which is there". Another conundrum is one currently facing the school (and nearly all schools) "Question: What is the best response to the pressure to become an academy". At the moment this is a conundrum to which we do not have an answer, but we are working on it.

LADY LUMLEY'S SPORTS DAY THURSDAY 23RD JUNE 2016

Everyone will contribute to their House total over the day

57
Number of Races: hurdles and 1500m in the morning

27
The number of jumping events in the morning

28
The number of throwing events in the morning

HJ
Lunchtimes Monday & Tuesday 12:40pm

House banner making, quiz, team building and chant

The ethos of the school and the day is underpinned by 6 values: determination, passion, respect, honesty, self belief and teamwork.

Field: 8:50am-12noon
House Activities: 8:50am-12noon
Track: 1pm-3:35pm
