

Lady Lumley's School Newsletter

18th November 2016 Issue Number 355

Dear Parents, Carers and Friends

We had two major special events this week with the YOLO theatre company (see overleaf) and the annual Opportunity Knocks event on Wednesday. Opportunity Knocks 2016 is a joint venture between Ryedale District Council, NYBEP and Derwent Training with the aim of bringing together young people and employers from across the Ryedale area. There are more details on the school website. In school we had a series of powerful assemblies on bullying delivered by Sarah Turner. We know from the Growing Up in North Yorkshire survey that bullying is less of a problem at Lady Lumley's than across the county as a whole, but it still is a problem and we are determined to reduce the amount of bullying to as close to zero as possible. The big message is for people, whether victims or witnesses, to report bullying to somebody. We can do something and we can make it better. Richard Bramley

Year 7 match report 5-a-side tournament

The first game out of 3 Lumley's had to face was against Norton, which ended with a thrilling 2-2 draw. Lumley's came back from 2-0 down to scavenge a point in the dying seconds. Their next opponent was Eskdale, but none of the two could find the back of the net making the result 0-0. That would put Lumley's on 2 points and through to the decider between Caedmon. It wasn't looking good with Lumley's 3-0 down but they pulled it back with **Oliver Hesketh** scoring with the last kick of the game putting us 4-3 up, this resulted in qualification for the Scarborough finals. Isaac Edmond, Y7 Football Captain

Blood Brothers Trip

My favourite thing about the Blood Brothers theatre trip in York was Linda in the classroom and as that horrible teacher was having a go at them for being annoying, the teacher pulled up Mickey as he wasn't listening and Linda was saying "I love you" but the teacher was coming for Mickey, but Linda stood up for herself said out loud "I love you" and they all gasped. One thing I did not like was the shooting because it kept hurting my ears and it was loud. Blood Brothers was really good because it was funny and wicked. I am going to say thank you to Mrs Goodwill and Mr Bramley who organised the trip. I am going to give a 10/10 for this trip. **David Corney** 8CQU

Venturefest 2016

On Wednesday, we as a group of Sixth Form students spent the day at Venturefest at York Racecourse. This was part of the Young Enterprise Scheme, which we carry out in Enrichment periods with Miss Hornby. We aim to set up and develop our own business. Our business is 'Aura Amphora' which rejuvenates plain terracotta plant pots by hand painting them into modern designs to add a personal touch around the home. At Venturefest we were overwhelmed with the support and guidance we received from major companies such as TalkTalk and Barclays. Additionally, we made our first sales and had incredible interest from big universities and candlemakers. Young Enterprise has already been an amazing experience, developing our confidence which has led to a retailer stocking our product within 5 weeks of setting up. As the youngest Entrepreneurs there, we thoroughly enjoyed the day.

If you are interested in purchasing one of our pots we'll be at: Open Evening next week(24/11); Kirkbymoorside CP School on the 2nd December and then Asda Harrogate on the 10th December. Alternatively visit our Website:

<http://auraamphora1.wixsite.com/pots> or Message us on @auramphora on Facebook or email us: auraamphora@outlook.com.

Lady Lumley's School Sixth Form Open Evening

Thursday 24th November 6.45 for 7pm start

Swainsea Lane
Pickering YO18 8NG

Contact us for more details on **01751 472846**
or email jambrose@ladylumleys.net

Moped Hire – Wheels to Work

This is a fantastic scheme for young people in the Ryedale area who need transport to get to a job, an apprenticeship, training or further education. The scheme lends you a 50cc or 110cc moped for up to a year, complete with safety equipment for a weekly fee from £33 a week including insurance, tax and servicing. If you live in a remote Ryedale community and you cannot access transport this could be great way to get where you need to go. For further information log on <http://ryedalect.org/our-services/moped-loan> or call [01653699059](tel:01653699059).

Word of the Week - Bully. *A person who hurts, persecutes, or intimidates weaker people.* Just reading that definition makes me wonder why anyone would be a bully. What is big or smart about hurting, persecuting, or intimidating weaker people? There is bullying at Lady Lumley's and we do everything we can to stop it. It is not okay, it does not have to be a normal part of growing up, it is wrong. If you are being bullied, or if you know someone is being bullied, tell someone! This is the only way we can help stop this horrible and unacceptable behaviour.

YOLO - Risky Behaviour

A theatre company visited Lady Lumley's School on Tuesday 15th November to perform a series of workshops with Year 9 students on the risks of drugs, alcohol and sexual intercourse. To start off the morning, a couple of actors performed an hour long play, showing four different characters and two different stories that revealed potential risks for teenagers. Some of the risks they warned us of were getting into trouble, being physically harmed or injured, illness, public harassment, a criminal record, a heart attack and falling pregnant. The play featured a 15 year old girl and a 16 year old boy, the risks they took and the situations they got themselves into. In the second half there was a workshop where we played games, asked questions and learnt key facts. We were taught about how drugs mess with our minds and how to keep ourselves safe from becoming pregnant and catching diseases. This was, overall, a very educating experience and should be shared with other schools.

Photo shows the actors during the production. A huge thank you must go to the production company, An Invisible Man, who were in school all day performing and leading the workshops. Thanks must also go to Jeni Loosley and all the members of staff who helped supervise the day. By Abbie Henry and Gracie McNally

Maths challenge...

Solution to last week's maths challenge as promised.
Oliver Reynolds.

16th December - School Closes for Christmas

Girls Cricket Coaching - Matthew Hurren the Scarborough ECB cricket coach is running a free girls cricket club at Lady Lumley's School on Tuesday 22nd and 29th November (3.45-5pm). This is open to all interested girls but the target is Years 7, 8 and 9. Please come along and try something new. This will be developed with another club in the New Year if it proves popular. For more information speak to PE staff.

Pentathlon Club - We host a Modern Pentathlon Club on a Wednesday from 4-5.30pm. This is open to all students both at Lady Lumley's and other local schools. Year 6 and above are welcome to attend. The main activity is target shooting with indoor laser guns – running will also be incorporated. Please or come along if you are a runner, swimmer, horse rider or just interested in trying something new. Please contact: Sonjagreaves23@gmail.com or speak to Mr Park. Winter Practice Timetable Nov - Feb is available on the website.

Young Americans Show

Sunday 20th November, 5pm

The Young Americans arrived at Lady Lumley's on Thursday evening to start a 3-day extravaganza of music, dance and acting workshops. The 3 days of workshops and rehearsals will culminate in a final performance on Sunday night at the school at 5pm. Please come along and support our students who will be performing with the Young Americans. Tickets are £8. It will be a fantastic evening!
